Purpose: Fundraiser

The funding from the RTTT allows Town Hall to maintain an emergency fund for disaster relief and make annual donations to the Mt. Baldy School, the all-volunteer Mt. Baldy Fire Department, and all-volunteer West Valley Search & Rescue. The latter two organizations provide emergency services during the race, with personnel positioned at the four aid/water stations and along the course. Town Hall's donations to the Fire Department and Search & Rescue also benefit the thousands of weekly visitors who hike, bike, and play in the local wilderness, as their volunteers will be first on scene in an emergency.

Town Hall is excited to announce that a grant has been established for the Mt. Baldy Fire Department, to aid in capital expenditures. Each year, a large percentage of the proceeds from the previous year will be added to the grant.
